East Shore District Health Department: North Branford has 11 confirmed cases, and 1 Fatality.

As of May 06, 2020, at 8:30 PM, a total of 31784 cases of COVID-19 have been reported among Connecticut residents. One thousand three hundred eighty-five patients are currently hospitalized. There have been 2797 COVID-19-associated deaths.

Day-to-day changes reflect newly reported cases, deaths, and tests that occurred over the last several days to week. All data in this report are preliminary; data for previous dates will be updated as new reports are received and data errors are corrected. Hospitalization data were collected by the Connecticut Hospital Association. Deaths* reported to either the OCME or DPH are included in the daily COVID-19 update.

*For public health surveillance, COVID-19-associated deaths include persons who tested positive for COVID-19 around the time of death (confirmed) and persons whose death certificate lists COVID-19
